Sir:

**SUBMISSION OF REPLACEMENT COPIES OF
PAPERS MISSING FROM USPTO IMAGE FILE WRAPPER**

On August 3, 2004, the Examiner contacted Applicants' undersigned representative by telephone. During the telephone discussion, the Examiner explained that she believed that a Petition to Withdraw from Issue had been filed and granted, but the image file wrapper lacked copies of the Petition, its concurrent papers, and the Notice of Grant Petition. Accordingly, the Examiner requested that replacement copies of the papers subsequent to the Notice of Drawing Inconsistencies mailed February 24, 2005.

In accordance with the Examiner's request, Applicants undersigned representative submits the following items:

- Papers filed by Applicants on March 24, 2005
 1. Petition for Withdrawal from Issue under 37 C.F.R. § 1.313(c)(2)
 2. Request for Continued Examination (RCE) Transmittal
 3. Amendment and Response to Notice of Drawing Inconsistency with Specification
 4. Substitute Specification with Marked-up Version
- Date stamped postcard receipt evidencing filing of above papers on March 24, 2005
- Notice of Grant of Petition mailed by USPTO on March 29, 2005

Applicants' undersigned representative respectfully believes that this is a complete and accurate copy of the applicants' undersigned representative's record of all of the correspondence between the USPTO and applicants' undersigned representative subsequent to February 24, 2005 (i.e., the mailing date of the Notice of Drawing Inconsistencies).

Accordingly, Applicants respectfully request that the papers provided herewith be entered into the image file wrapper of the USPTO and that a favorable action on the merits be issued.

Respectfully submitted.
